

Texas Corinthian Yacht Club Burgee Exchange- July 6, 2020 – at HYC- conducted by Bill Foster

Bill Foster, representing HYC, welcomed a visiting member of the Texas Corinthian Yacht Club, Becki (Foster) Anderson, and organized a burgee exchange. This was not difficult as all they had to do was walk down Dixon Wharf Road from the green Foster house, where they were all staying. Yacht Club juices seem to flow through this family. Bill is Past Commodore of Stamford YC, Becki's husband, Kurth, was Vice Commodore of Stamford YC, and Becki and Kurth are now members of the Texas Corinthian YC. And they are all members of HYC

**TEXAS CORINTHIAN YACHT CLUB**  
Located on Galveston Bay in Kemah, Texas and Founded in 1937 to educate its members and their families in the art of sailing, seamanship, boat handling and related arts as well as providing and maintaining a clubhouse, piers and anchorage for the recreation of its members. Another major purpose of the Club is to support and encourage participation in national and international yacht racing. To achieve these goals, the Club was modeled after Seawanhaka Corinthian Yacht Club in Oyster Bay, New York, which had established a reputation for promoting amateur sailing.

The original purpose of promoting amateur sailing has been carried out with local, national and international racing victories for our skippers and crews. Our members have won world championships, national championships, the Americas Cup, an Olympic Silver Medal, the Mallory Cup, the 5.5 Meter Scandinavian Gold Cup and many local competitions. Our junior members have competed both nationally and internationally in the Optimist, Laser and Club 420 Fleets. In particular, our juniors have won the U.S. Junior Women's Singlehanded Championship (The Leiter Trophy), Sportsmanship trophies in the U.S. Junior Doublehanded Championship (the Bemis Cup), the U.S. Junior Triplehanded Championship (the Sears Cup), and USODA National Championship, and have sent representatives to compete in the finals of all U.S. Sailing junior championship events as well as all USODA and selected ISAF international championships and competitions.
